If the MARE OWNER requests more than one shipment, the semen will be shipped to the last known address of record provided by the MARE OWNER to the STALLION MANAGER.
2. The mare owner certifies that the address of record for the shipment is a suitable facility for the artificial insemination of the mare contracted to be bred. The mare owner certifies that only the mare that is the subject of the breeding contract shall be inseminated by the shipped semen of Custom Invitation.

The MARE OWNER shall properly send the appropriate copies of the Collection/Insemination Certificate to their breed association and to the STALLION MANAGER at the address appearing below.
7. All parties to this agreement agree that the obligations of performance by the STALLION OWNER and the STALLION MANAGER shall be met when the chilled semen shipment is accepted at the address of record as provided by the MARE OWNER. 8. The STALLION OWNER and the MARE OWNER shall execute a "Transported Semen Breeders Certificate" and shall comply with any parentage verification as required by the AQHA, or their respective breed association. This agreement is limited to the breeding season for the year of **2018**.
